* DV 02656-10-85. SUN CITY. **
*** Father to two different South Africa Million Dollar Final Race Winners!!
* SUN CITY bred the two Final Race Winners with two different hens, breeding in two different continents. In the South Africa 2011 / 2012 race series he bred RUBBELLOS (DV 01696-11-222) - winning 1st Place in the South Africa Million Dollar Final Race. Then in the 2015 / 2016 South Africa race series SUN CITY bred LAURA IS A BIG WINNER TODAY (GFL 267-15), winning 1st Place in the Final Race by 15 minutes and also was the 7th Grand Average Winner and 1st Country Challenge winner. This is remarkable.

* SUN CITY has to be one of the best breeding males in the world. Top fanciers from around the world send their best youngsters off their top breeders to be raced under the same conditions in the South Africa Million Dollar races. When two of SUN CITY'S youngsters have won 1st place wins, returning to the loft minutes ahead of the 2nd place bird, this is very special. The final race has over 2000+ birds, over 330 miles, over 8 hours on the wing with high temperatures and humidity. Proven results are your best chances of winning the South Africa Million Dollar Final Race and those chances increase with SUN CITY and STRAIN MAKER blood running through their veins.
